On JOHNNY BAGLAMA's check for dues was an adhesive label reading, "For those who fight for it, life has a flavor the protected never know". Johnny, of 24th Recn. and 24 Med. from '47-'50, is with Hq. USAREUR OAG. We liked the message, Johnny.

JUNIOR'S CORNER:

No vacation like this for us this year.

We're taking a cruise!

We leave Miami on Friday, August 14th.

Back Monday, August 17th.

We said on the New Bahama Star.

There is a wide choice of staterooms - good price range.

And it's a one price deal. The rate includes the stateroom, all meals, and the cruise - per person.

Staterooms are well planned, handsome and convenient.

Every stateroom has private bath facilities.

The ship is one class. Everyone treated the same.

Your room steward will keep your staterooms as neat as a pin, turn down your bed every night, and do everything possible for your comfort.

Join us, will you?

Junior
Paul A. Harris, Jr.
President

BOB ENDER, (H 21st '42-'45), of Los Angeles, is ever on the prowl for new members. He wrote BILL (C.W.) HOOD, (H&E 21st '41-'43), of Oakland. They were going to meet when Bob hit 'Frisco. Did you have your brief catharsis?

We don't know whether or not LES WYCKOFF, (L 34th '43-'45), out in Tehachapi, Calif., is a fan of Mrs. Elizabeth Taylor Hilton Redgrave Todd Fisher Burton. But mention of the lady calls to mind that this is the Age of Vulgarity. It's marked by such matters as war and poverty and complete permissiveness. It gets more difficult, each day, to scale the heights of true vulgarity. But given some loose money, it can be done - and worse, be admired. Witness the diamond which now hangs around the neck of Mrs. B.

From engineering to teaching it is for BILL KUSHINA, (19th '41-'44) of Runnemede, N.J. Teaching is something Bill has always wanted and he's giving it a go at Camden County Vocational School, the largest of its kind in the east. Good luck, Bill.

Son Ken, Jr., of KENNET TARRANT, (A 63rd Art. '42-'45), of Quincy, Mass., has returned from a 2 months summer cruise to Wahoo with NROTC. Young Ken's at Holy Cross.

JOE and Sara CASKEY, (13th Art. '41-'45), of Oklahoma City, Okla., advise us that now-retired Gen. ANTHONY C. McAULIFFE, Div. CG immediately before BILL DEAN, quietly celebrated the anniversary of the German demand for his surrender at Bastogne during the "Battle of the Bulge" (Dec. '44). "Nuts" was the simple reply and 25 years later we continue to love him for it.

We want to tell AL and Mabel SOUSA, (3rd Eng. '41-'45), over there in Honolulu, about Sec'y. Treas. John Reid of the 99th Inf. Div. Assoc. who wrote us "The Taro Leaf is one of the best publications of its kind. The high quality of the artwork suggests that the Taro Leaf is printed by a firm which knows the craft. And the Editor seems to be from the line which gave us Ben Franklin." How can you get sore at a guy like that? Forgive us, Al and Mabel, for using this item about ourselves. We try to soft pedal our part in this outfit but this one just so delighted us that we felt we had to share it with you. "Ben Franklin", Hell, we can't even fly a kite.

For convention answers, call Convention Chairman SAM GILNER, Tel. 1-914-623-5244, Nanuet, N.Y. or Editor KEN ROSS, Tel. 1-413-733-3194. We're cruising it, come H--- or high water, this year we're cruising it.

Alberta MONACO sends in AL's (D 19 '40-'44) dues. Reach them now at Chester, Pa. Sez "Bert", the "garage business has been keeping us busy; do make our boat on weekends". We'd like to see you good folks on our boat this summer.

Life Member VIC BACKER, the kosher Art Linkletter, sends us the facts about the origins of that famous Chinese delicacy, egg drop soup. It seems there's a certain kind of a bird over there who builds her nest with a hole in its bottom. She loves to lay eggs, but she can't stand kids.

RUSS and Zelpha ARNOLD, (24th MP '45-'47), of Urbana, Ohio, have checked in with dues. Russ tells of the interview a famous screen beauty was giving to a reporter. Asked the newsman, "What would you take along to read if you knew you were going to be marooned on a desert island?" Quickly replied the beauty, "A tattooed sailor".

From V/N to USAREUR is Brig.Gen. GEORGE W. DICKERSON. George tells about a friend who is using a new martini-flavored toothpaste. The friend has 40% more cavities but couldn't care less.

CSM DONALD H. MORGAN (right), senior retiring noncommissioned officer at Riley, receives his retirement packet from Col. RICHARD M. LEONARD, chief of staff. Sgt. Maj. Morgan is completing over 26 years of active duty. He has served with Division twice, first with the 52nd Field in Korea, from July, 1950 to July 1951, and then with 24th Artillery at Riley since August, 1969. Cripes, we get old, don't we?
