DISTINGUISHED UNITS

When called upon to serve during war time or peace time, whether the mission is engaging enemy forces, maintaining the peace, nation building or to perform humanitarian support, the men and women of the Victory Division have always responded rapidly, prepared, motivated, and have served honorably and with distinction.

This section lists the distinguished units deployed since 1941 that have served in the division, were attached to it, or have been managed by 24th Division Headquarters as part of the new Integrated Division concept. If you served in one of these units you have the right to feel pride and comradeship . . . You Earned It!
