TO ALL MEMBERS OF THE TWENTY-FOURTH INFANTRY DIVISION ASSOCIATION

Just a few lines this time to say that I certainly do appreciate all you members sending in your dues in the past few months, and especially the last few weeks. It will help us in the publishing of more Taro Leaves next year.

I also want to tell you that the Convention Committee has been hard at work getting all plans layed for you in Atlantic City next August. They are going to have a number of surprises for you this year and they are making new awards, in addition to the Trophy Award.

To the Chicago mem, keep up the good work and load up that special car for the reunion.

To the New England Group, keep the ball rolling and get the Chapter going out there.. You have the man power, so it is just a matter of each and everyone cooperating and planning regular meetings. Let's have a New England Chapter by this time next year.

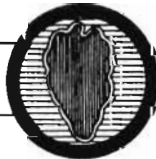

See you all in Atlantic City.

Sincerely,

C. G. Hanlin,
Pres. 24th Div Assn

Convention Committees

JOE MASHETT, Co-Chairman of this year's Reunion is planning on working right up to the last minute to see that all plans are worked out on schedule. The Convention Committee this year known as "TWO JOES with a BACKER", is just that; JOE MASHETT, JOE MACDONALD, and 'Old Timer' VIC BACKER. Both Joes are WW II men, and grabbed right on and started working last year before the Philadelphia Reunion.

This Committee or actually these three chairmen have a grand lot of boys working with them as the whole committee also. The various committees, members, and their functions will be found in this issue.

Final plans for all activities were made at a recent meeting in Atlantic City. All committees plus several members in the area who are not on the committee were in attendance. Ed Henry drove over from Attleboro, Mass. & and reports that everything is well in hand, and he looks for a big turn-out.

ED, our 2nd President, has never missed a reunion, and in reality, has held every office in the Association. He is 'Mr. 24th. Division himself'.

The best way you and I can help this grand Convention Committee is to be Present.

See you in Atlantic City, and give these congratulations they deserve.. See you.

Editor's Note: We would liked to have shown all three Chairmen, but we do not have a photo of Joe MacDonald, and could not get one in time. We've used this old one of BACKER several times, and the only other one of him is a rear view, head an all, and that wouldn't work!

New England NEWS

MacGILL, Henry, Lt. --- We have received a request from Mrs. J. F. MacGill of Fayetteville, N. C. for the name of someone familiar with the circumstances surrounding the death of her son, Lt. At the present time, your secretary is try to locate members of the Division and of Company C who may have served with Lt. MacGill or who may be aware of the events leading to his death. So far, this search has proven fruitless.

Both Mrs. MacGill and we would be grateful if anyone having information regarding her son, would contact or write to Edmund F. Henry, First National Bank Bldg., Attleboro, Mass.

DON'T FORGET ----- BRING YOUR HAWAIIAN SHIRT

DOWN MEMORY LANE

You guess where.....

Dear Friends:

I wish to place my membership application with you at this time.

Please send me news of the next reunion as soon as you can, as we must pick our vacations early.

I came to Hawaii Dec. 10, 1940, and assigned to the 11th Sig. Co. of the Hawaiian Div. Staff Reg. I became part of the 24th Sig. 24th Div. when it was formed in 1941. I stayed with the 24th Sig. till we entered Hollandia N.G. and I was sent home on rotation. Stationed at Camp Crowder, Mo. for about 1 year. Was discharged Aug. 25, 1945.

Some years ago we held a Co. reunion at Columbus Ohio the week after the Div. reunion. When we unrolled our banner, (see picture) someone heard a bell hop say, Holy Hill, they'er back again. He saw the Taro Leaf and that was enough for him.

In picture from left to right Fred Gilliam, Springdale, Pa., John Dukovich, Etna, Pa., Bud Poe, Bannock, Ohio.

Do many of the boys from the 24th Sig. Co. attend the reunions.

So much for now and we'll see you at the reunion this year.

Thank you

/s/ Fred Gilliam

P.S. Banner was made in full color by my wife Jerry.

Dear Ed:

Enclosed is my check for \$5.00 Membership. I most certainly want to maintain my membership in the 24th although I have badly neglected the duty of establishing continuous contact with its members.

Just a little background on my activities over the years or just to make it short, current doings. I am chief engineer at the National Bank of Detroit main Office Building as of right now and will soon be in similar capacity for 64 Branch Banks as well. So much for that.

If anyone up that way runs into Carl Snavelly, ask him if he remembers the "little" radio operator who tramped all over half of the Philippines for, with, and after him. He should, especially that every time we had to hit the ditches I was always on one side of the road and he on the other. A situation that aggravated him and necessitated my crawling across under circumstances not calculated to maintain my health and well being.

Names that make the news

WISECUP, PAUL F. - Paul has moved into a new home, and altho not a farmer, has a few acres. It can be called a farm, since it is 50 acres. Paul writes that he will be on hand again this year. New address is: R. R. #1, Xenia, Ohio.

KLEPINGER, Walter J. Lt. Col., Ret. - and Mrs. Klepinger live on a 90 acre farm just outside Auburn, Alabama. Klep, in addition to teaching at the Alabama Institute, raised Angus cattle. The Klepingers built a new home on their farm a few years ago, after he retired from the Army. A hobby, in addition to cattle is his pecan grove. Klep also has his own small lake stocked with fish. When with the Division, he was Div. G-4.

NEWMAN, Aubrey S., Maj. Gen. Ret. - New mailing address since his retirement is: 612 Juan Anasco Drive, Longboat Key, Florida.

DUFF, Bob and Ann, on a trip South the 26th May, visited with General NEWMAN and his lovely wife, DOROTHY. He arrived early enough to enjoy a beautiful sunset over the Gulf. The following day, there was good fishing on 'newman' peninsula. A very intelligent heron by the name of Elmer spends most of his time at the Newman's, and if they happen to see him at no other time, it is certain that he will arrive three times each day -- at meal time -- and call out for his fresh fish. Duff assisted in keeping Elmer supplied during the time he and Ann were there.

The NEWMAN'S home is situated on Longboat Key which is between the Gulf of Mexico and the mainland of Florida, near Sarasota. After they are completely settled, the General will settle down to his writing, which has been his plan for many years. His office, study, library, and photo laboratory will be adjacent to their home.

The Newmans are planning to attend the Convention in Atlantic City.

During their trip, Bob and Ann DUFF visited with Col and Mrs. Klepinger on their farm in Auburn, Alabama. Klep is very busy at the College, so much so that he is planning to give up the cattle business.

DAHLEN, CHESTER, BRIG. GEN. - Since this issue went to press, Chet has been found.... he is now Deputy Comndt., the Infantry School, Ft. Benning, Georgia. (Elsewhere in this issue you will find where we mentioned that Dahlen's mail had been returned).

DID YOU KNOW....

ATLANTIC CITY and other New Jersey resorts are noted for sea food, and no wonder, -- this State boasts the largest single oyster bed in the world. It is located at Maurice Cove on the Delaware Bay. New Jersey ranks second in the oyster industry among other States, grossing \$3,500,000 annually.

DID YOU KNOW that during World War II approximately 500000 men were quartered in Atlantic City's Hotels, and that the Boardwalk was used as part of the training facilities for the men?

ATLANTIC CITY is the proud possessor of the BOARDWALK, the safest street in America, a broad immaculately clean street miles long, with no vehicular traffic, no cross street intersections, and the finest shops in the world.

MILLER, ALLYN, - Co. "A", 21st. from 4th March 1944 until 2 October 1945.,

ALLYN MILLER writes and asks us to publish a poem he has written in the memory of the following men, who were good buddies of his in the 21st., and who have since passed on. ALLYN also forwarded \$5.00 for deposit in our treasury, which is to be used for the Taro Leaf, or for what ever portion of our overhead we need it for. ALLYN is a Life member of the Association.

Dear one when you went far a way
The whole world turned to night;
No flames of war could light the way,
Nor bursts of fire bring light.

No kindly fate could bring you back
To those who love you well;
Your way was hard, your path was black -
And seared by bomb and shell.

And now the whole world seeks a Peace
Which you have died to win
But seeks to gain a new release
To keep our Freedom in.

Dear one, could you all but know,
How much we love you still;
How warm the memories of you glow,
And how they always will.

Could you but know the love we keep,
For you, our dearest one;
More peaceful then would be your sleep,
Your final Triumph won!

---Allyn Miller, 'A' Co., 21st Inf. Regt.

CIZON, MAX N., COLONEL - (the last mention of Max we made we called him Lt. Col. and so sorry). MAX lives at 5661 Pickford Street, Los Angeles 19, California. You will all remember Max as our AG.

Max is still in the Army, although partially retired due to reasons of health. He will know the latter part of this year whether the Army will retire him, or put him back full time.

While waiting for the Army to make up its mind, he spends his spare time (8 hours a day) working with the City Civil Service, examining garbage collectors, and executives, and writing examinations for a number of classes in between.

MAX has served in all parts of the country and overseas since he was with the 24th Division. He still plans on a World tour one of these days.

In looking back over the years he says he thinks that Davidson, and a few of us should be having 'Teen-age difficulties, & and perhaps some do, but he's looking too far and too many years re Bill. CIZON has five grandchildren.

He now owns a home in L.A., and his hobby is gardening. And, last but not least, Max says, like so many, and I quote, "The 24th Division is my FIRST love in the Army".

Nice hearing Max. Get a few California boys lined up, charter a small or large plane and come on down to Atlantic City.

CUNNINGHAM, WALTER - the Professor and his famous pipes will will again make his appearance in the Convention Headquarters on time. Walter is a charter member, and a staunch supporter of the Association. He never misses a Reunion.
